Chromebook Touchpad

Click: Just press down on the lower half of the touchpad. Since tap-to-click is enabled by default, you can quickly tap the touchpad to click.

Right-click: Click the touchpad with two fingers.

Scroll: Place two fingers on the touchpad and move them up and down to scroll vertically, left and right to scroll horizontally.

Drag and drop: Click the item you want to move with one finger. With a second finger, move the item. Release both fingers to drop the item at its new location.
